

Notice for All Newly Admitted Undergraduate Students regarding email address in @aust.edu domain

AUST has prepared email addresses for all newly admitted undergraduate students (**Spring 2020**) under @aust.edu domain. The basic format of the email id and password is mentioned below.

Email address:

Email address of a student is his/her firstname.department.student_id@aust.edu

Example:

Students First Name: Md. Kabir

Students Last Name: Alam

Student ID: 200101016

Department: CSE

Email address: **kabir.cse.200101016@aust.edu**

*** The firstname started with Md, Mohammad, Syed, Kazi, Gazi etc. is not considered as email address.

Password:

The password is set with the combination of a predefined STRING + 2 digits of the month (MM) + the last 2 digits of the year (YY) from a student's date of birth (DoB). A student will be prompted for password change during the first-time login. All are requested not to share the password with others.

Predefined STRING Format: **Hnj2Mkh\$**
